<Your Practice> GOES MOBILE IN <City, State, or County>
WITH NEW <type of clinic> CLINIC VEHICLE

<City, State> -- <Your Practice> has recently purchased a mobile medical clinic to service <area>. The mobile clinic, manufactured by La Boit Specialty Vehicles in Columbus, OH, will travel to areas throughout <city, state, or county> to provide <type of medical> services, including <list types if applicable>. The van will also appear at community events, providing education to the general public on <type of medical service>.

According to the American Medical Association, many Americans lack access to basic medical care because they find it difficult to get to the doctor's office.

"Our hope is that this vehicle will be able to provide services to the most underserved areas of <city, state, or county>, where individuals might not have access to regular medical care" says <staff name>.

Inside the truck, is <list equipment included in the van, # chairs, x-ray machine, autoclave, etc.>

"The van is a fully-functioning <insert type of clinic> on wheels," <says staff>. "It allows us to service several patients in a single day that would otherwise not be able to travel to us."

The next stop for the <your practice's> mobile medical clinic will be <insert location, time, and date for next stop>.

For more information on <your practice> or to request a visit from the mobile clinic in your area, visit <website> or call <phone number>.
